

2528 Grand Ave
Billings, MT 59102
(o) 406 969-2018

Before Your Appointment:

There is a non-refundable and non-transferable deposit of \$100 upon booking your appointment. The deposit is to ensure that you are serious about your appointment. The deposit is applied towards your final fee. Notice of a minimum 48 hours is required if you need to reschedule, this applies to your touch-up appointment as well. If the appointment is canceled or if you no show you will simply forfeit your deposit. If it is for your touch-up, you will forfeit your included touch-up service.

PRICES SUBJECT TO CHANGE WITHOUT NOTICE. APPOINTMENTS MADE BEFORE PRICE INCREASES WILL REMAIN THE SAME FEE AT THE TIME OF APPOINTMENT. CASH OR CARD ONLY ACCEPTED.

To get the best possible results, there are a few things a client should be aware of before coming in for their permanent makeup appointment.

- No alcohol 24 hours prior to appointment.
- Watch your caffeine intake, you will be seating for long periods of time.
- No sun burn!
- Wait at least 30 days after any chemical peel or laser treatment.
- Please refrain from using any retinal for two weeks prior to appointment.
- Must not be on any blood thinners
- You must be 18 years of age, sorry we do not work on minors.

Please make arrangements for children as children are not permitted per SNHD code. If you have a service animal so you can be accommodated when there are no other clients.. ESA animals are not ADA

compliant service animals and will not be permitted. . American's with disabilities are welcome and so are their legally protected service animals but we can not permit "emotional support animals" or "therapy dogs".. We love animals too but personal pets must stay at home.

DISCLAIMER:

Any procedures such as botox, facial laser treatments or chemical peels will affect the pigment from the procedure and the overall appearance. Please notify your physician prior to performing those services.

Any operations such as botox, facial laser treatments or chemical peels will affect the pigment from the procedure and the overall appearance. Please notify your physician prior to performing those services.
